- Centrally managed
- Remote and On-site support
- Connectivity anywhere (LTE, Fibre, LEO)
- **Total peace of mind**

Finance

- No deposit
- No capital outlay
- Monthly rental
- Flexible rental periods
- Operating expense - tax benefits
- Capital budgets not affected
- **Increase capital efficiencies**

Doc-2U

Where to from here?

AFFORDABLE AMOUNT

If you are still asking yourself, "what does this mean." You sign an agreement with us, we then enable and install the platform. You then start providing clinical services to your community. The functioning and operation of the equipment and platform is our responsibility.
